- ***"My squads have participated in several Wolves tourneys over the last 5 seasons. The directors are professional and organized and run very good events at nice venues. In addition, we have always been able to find good competition at the Wolves tourneys. We will be playing in more events this season."*** Coach Jim H – Michigan Blue Jays
- ***"I just wanted to write to you and thank you for the well run Wolves tournament that you guys ran at Detroit Catholic Central High School. Everything was setup and run very professional. The Umpire crews were very experienced and courteous. All games were on time, and we really enjoyed the free use of the batting cages for warm-ups. Although we did not make the finals (tough competition) we look forward to coming back next season. Thanks again!"*** Paul O. Manager New Boston Red Sox baseball."
- ***"I was a coach for an 8U independent team and the Wolves Tournaments were the perfect situation for my team to experience real baseball. The tournaments are run by a professional and organized team. They create an experience that the players, coaches and families can all have a memorable experience. We played in three Wolves tournaments and each tournament was a great experience. I highly recommend that if you are looking for the right baseball environment and top notch competition, you participate in a Wolves Tournament."*** Coach Marc – Canton, Mi
